AUTHORIZATION - The process of determining suitability for Chiropractic Services involves answering fully and truthfully all questions presented to you either written or spoken regarding your past and present health status. If warranted, a physical examination will be performed that can include but is not limited to vitals measurement, systems evaluation, orthopedic tests and maneuvers (tests that move and stress parts of the body), neurological test (tests using sharp or dull instruments, smells or sounds, gently tapping) as well as physical touching. These test and maneuvers will help the Chiropractor determine what may be causing your complaints and if Chiropractic can help. Occasionally some temporary soreness and/or stiffness may occur due to the examination; less frequently aggravation of presenting symptoms or initiation of new symptoms. By signing below, you have authorized the performance of a consultation and examination.

ACKNOWLEDGEMENTS - We are very concerned with protecting your personal health information. There may be times our office may need to contact you regarding office matters. By signing below, you have authorized this office to contact you for office related matters and thank you notices for referrals using your first name in the following manner: phone-work-home or mobile, e-mail and regular mail to include sealed envelopes and postcards. Messages may be left on an answering device/voicemail, or with the person answering your phone-home-work-mobile. Also, in accordance with the Health Insurance Portability and Accountability act of 1996 (HIPAA), updated September 23, 2013, this office is obliging to supply you with a copy of the office privacy policies and procedures upon request. This document outlines the use and limitations of the disclosure of your personal health information and your rights as a patient.

Also, I acknowledge Chiropractic is a separate and distinct practice from traditional medicine.

Also, I acknowledge that Dr. Bonner will deliver care that, in her professional judgment, can best help me in the restoration of my health. I also acknowledge that the chiropractic care offered in this practice is based on acceptable standards of care designed to reduce or correct vertebral subluxation.

Also, I realize that an x-ray exam may be hazardous to an unborn child and I certify that to the best of my knowledge I am NOT pregnant. Date of last menstrual period ____/____/____

Also, I acknowledge that any insurance I may have is an agreement between the carrier and me and that I am responsible for the payment of any covered or non-covered services I receive.
